

Dear KAIRS members,

Following are the KAIRS registration form and tentative schedule for our Annual meeting, February 11 & 12, 2008. Our schedule promises to be full of meaningful sessions.

Our keynote speaker is Sister Carol Cimino. Many of you will remember her from one of our membership meetings in 2006, and were inspired by her humorous approach to school development. Additional topics that will be discussed are a North Central Accreditation alliance, and working with private colleges as KAIRS members. Also, we are currently waiting to hear from several additional exciting speakers.

Inviting board members, other administrators and master teachers would be appropriate for the scheduled sessions. To accommodate this, we are allowing the second person registered from the same school to attend the KAIRS convention for \$70.00! Please make your reservations with the hotel as soon as possible and send in your forms to Shelli Kadel at the address below. Hope to see you in February!
